Welcome Letter

Dear Participants,

Welcome to 2018 10th International Conference on Computer and Automation Engineering! The objective of the conference is to provide a premium platform to bring together researchers, scientists, engineers, academics and graduate students to share up-to-date research results.

We are confident that during this time you will get the theoretical grounding, practical knowledge, and personal contacts that will help you build a long-term, profitable and sustainable communication among researchers and practitioners in the related scientific areas.

We wish to express our thanks to Prof. Saman K. Halgamuge, Prof. Hubert Roth, Prof. Mohammed Bennamoun, Prof. Manolya Kavakli-Thorne and other distinguished scholars for their support to our conference.

Special thanks to all reviewers, researchers and students who participate in the conference with their work.

Hope you could enjoy the conference and have an unforgettable experience!
